

The Carol Milgard Breast Center offers state-of-the-art digital screening and diagnostic services, including:

- Digital mammography
- Stereotactic breast biopsy
- Breast ultrasound
 - Ultrasound-guided breast biopsy
 - Cyst aspirations - ultrasound
 - Wire localization
- Breast MRI
 - MRI-guided breast biopsy
- Bone density services
- Digital diagnostic mammography for men

State-of-the-art breast imaging in your community

For your convenience, Franciscan Health System, MultiCare Health System and TRA Medical Imaging also offer screening services in:

- Gig Harbor - MultiCare Gig Harbor Medical Park, St. Anthony Hospital
- Lakewood - TRA Medical Imaging

The screening mammogram from these locations are read by TRA Medical Imaging radiologists. If further diagnostic care is indicated, you will be notified by the Carol Milgard Breast Center that additional imaging needs to be scheduled. At that time you will be scheduled for diagnostic care at The Center.

A Franciscan—MultiCare—TRA Collaboration

Comprehensive breast care services in a comforting atmosphere

The Carol Milgard Breast Center is ready to provide the services and expertise you need to maintain your breast health. More than a clinic, it is a regional center that offers a full suite of screening and diagnostic services. **It is your peace of mind.**

Full suite of services in one location

All exams performed at the Carol Milgard Breast Health Center are read by radiologists with special training in mammography. In addition, computer aided detection (CAD) is used to take a second look at the breast images and will mark areas of concern for the radiologist to re-examine.

Schedule an exam

The Carol Milgard Breast Center is open 8 am until 5 pm Monday through Friday. Schedulers are available 8 am to 5 pm Monday through Friday. Appointments are available on Saturday. Call (253) 759-2622 or (866) 758-2622 (toll-free).

The Franciscan, MultiCare, TRA collaboration

The three largest providers of breast imaging services in this area have collaborated on the creation of this state-of-the-art facility for the benefit of the entire community. With support and funding from the Gary E. Milgard Family Foundation, they are making an investment in the community for the sake of our daughters, granddaughters and great granddaughters.

What makes the Carol Milgard Breast Center special?

- State-of-the-art care
- Caring and respectful atmosphere
- Collaboration that benefits the entire community
- Timely, responsive service
- Expert care you can trust
- A singular focus and mission

The Center also offers educational programs for physicians, community outreach groups and support for patients and their families.
