

Annual Report

We are committed to providing sustainable breast health services to all individuals in our community and we do this by providing exceptional patient care.

MESSAGE FROM OUR EXECUTIVE DIRECTOR

2021 has presented many challenges as we continue to navigate through the pandemic. Despite the challenges that our community has faced, the breast center has continued to focus on providing care to all in our community who need it. As you can see in this report, the need persists for patients to receive breast health care as we continue to diagnose breast cancer, provide funds for those who need financial assistance and partner with local churches to deliver education. Our team is dedicated to providing exceptional care to everyone despite socioeconomic factors. We are grateful to receive so much support from our community, partners, and volunteers. We are particularly grateful for our donors who so generously support the mission of the Carol Milgard Breast Center. Thank you for coming alongside us to ensure sustainable breast health services for all.

The Breast Center is excited to introduce the CMBC Alliance. This incredible group of volunteers is dedicated to raising funds which provide for the financial need of patients at the breast center. CMBC Alliance members are excited to partner with CMBC to provide funding for screening mammograms to underserved patients in our community.

The CMBC Alliance are gifted and devoted women who commit their time and talents to ensure people in our community have access to potential life-saving breast healthcare. They are passionate about supporting the breast center in finding breast cancer and keeping the funding local to support our neighbors, friends and loved ones.

FINANCIALS

As a nonprofit, the Carol Milgard Breast Center reinvests earnings back into local communities to support and fund a variety of breast health programs and services. During 2021, we provided \$561,690 in compassionate care to patients who could not afford needed services. Our supporters know that every dollar they commit to the breast center is well spent. The result is high quality, patient-centered care in which every patient is treated with compassion, respect, and dignity.

DONORS MAKE A DIFFERENCE

Because the breast center is a nonprofit organization, we rely heavily on charitable gifts to fulfill our mission to provide exceptional breast health services to all women in the community. We are very grateful for the generous support of individuals, businesses, and foundations that make charitable contributions to the breast center. Our deepest thanks go to these selfless donors.

In 2021, thanks to our donors, the breast center received more than \$191,400 to help provide programs and services to women in our community
